Ref. No.1626-2 Hospitals

Station Madras, *Dated the* 13th September 1930 ~~192~~ .

From (Name) Major-General C.A.Sprawson, C.I.E., V.H.S., I.M.S

(Designation) Surgeon-General with the Government of Madras.

To The Secretary to the Government of Madras,

Local Self Government (Public Health) Department.

Sir,

In connection with the training of Civil Assistant Surgeons at the Government Ophthalmic Hospital, Madras, and the question of formation of an Ophthalmic cadre, Lieut.Colonel R.E.Wright, I.M.S., Superintendent, Government Ophthalmic Hospital Madras, suggested that special eye departments ~~may~~ might be opened at the Government Headquarter's Hospital, Bellary and Guntur. But as the scheme will involve large additional expenditure, I do not propose to consider the scheme now as Government have stated that it will be possible to find money only for the most urgent

urgent schemes and that Part II Schemes in general should be cut down to the absolute minimum. At present sub assistant surgeons trained in ophthalmology are available for employment in the ophthalmic centres proposed to be opened at Bellary and Guntur. I am arranging for the posting of a sub assistant surgeon (trained in Ophthalmology) to each of the Government Headquarters Hospitals at Bellary and Guntur as I consider that a beginning in Ophthalmic work in the two institutions can be made this year with a sub assistant surgeon trained in Ophthalmology. No extra staff will be necessary for the Headquarters Hospital, Guntur, but a male nursing orderly will be required during 1931-1932 for the opening of Ophthalmic centre at the Government Headquarters Hospital, Bellary. At present. there are 8 nursing orderlies (6 males and 2 females) in the Government Headquarters Hospital, Bellary, with 70 beds. On the scale of 1 nursing orderly for 8 beds the total number of nursing orderlies works out to 8.75 against the existing number 8 . Of the 8 nursing orderlies one is solely engaged in the operation theatre. The entire work in the hospital is therefore managed by 7 nursing orderlies. To carry on the work efficiently and to cope with the increase of work which may result after the opening of the ophthalmic centre at Bellary, an additional nursing orderly will be necessary for that hospital. I therefore recommend the appointment of an additional nursing orderly on the standard scale of pay of Rs.15-20 for the ophthalmic centre proposed to be opened at Bellary. The extra cost on account of the proposal works out to Rs.150 for 10 months during 1931-1932. If Government approve of the proposal, it may be included in Part II Schemes of the budget for 1931-1932.

I have the honour to be,
Sir,
Your most obedient servant,

P. L. Warrier
Ag. Personal Assistant
for ~~Major General, I.M.S.~~,
Surgeon-General with the Government of Madras.

This is a Part VI Scheme and may await the receipt of any urgent schemes called for from the Hlth S.G. with regard to the recent instructions regarding Part VI Schemes.

mm 18.10.30 (780/1813) As the cost is trivial this may be sanctioned under Part I on a report made to the F.C.

Sir.

Please see pages 1–2 C.F. and page 1 ante.

2. In the circumstances stated on pages 1–2 C.F., submitted that Finance may agree to the employment of an additional nursing orderly in the Bellary headquarter (hospital). It does not however seem desirable to sanction the post permanently to begin with, as proposed by L.S.G. As the Ophthalmic centre is to be newly opened, the post of nursing orderly may, until some experience is gained, be temporary for 1 year in the first instance. The permanent retention of the post may be considered later with reference to the necessity for the post at that time.

Draft I below. pp. 1–2 C.F.

Draft I below

The draft order may otherwise be accepted. No sanction (number) will be necessary if the post is temporary.

3. If the nursing orderly is sanctioned temporarily, no report also need be made to the Fin. Committee as proposed by L.S.G.

Draft II below

4. The extra expenditure involved in the case during 1931-32 is Rs. 150 ⊗. L.S.G. may be requested to take this into account for the purpose of the financial limit fixed for Part II
